Club News

We had a very productive club meeting with a lot of input from the members. We really appreciate everyone's participation.

We will be doing some work on the Horizon Field in the near future. Mostly cosmetic and clearing for more parking.

The IMAC Contest has been Sanctioned with the AMA and is set for April 28 & 29, 2018 @ the Horizon Field. As we get closer to the event we will be asking for commitments from the members to help run the event. We'll need callers and scribes along with flight line help. A "workshop" is in the works to help with aircraft set-up and IMAC questions.

The AT-6 Texan Pylon Races are in the planning stages. we'll need to all get together and see just how we want to proceed.
