2020 Event Ideas

Since the rug was pulled out from under our IMAC Contest for 2020 here's some ideas on what we can do as far as events. Dates are approximate

Sausage Fest 2020 (March)

Glow Fly In (April)

Fun Fly (May)

EDF Jet Rally (September)

Scale Fly In (October)

Memorial Fly In (November)

All will be low key and designed for one purpose having fun and generate funds for the club.

The focus for 2020 is finishing up our runway expansion and clearing run off at both ends of our runway.

We applied for another grant from the AMA this year to get reimbursed for the work we did last year. We are waiting for approval and the amount we may be receiving.

That's all the news for now.

Max working on his T-28 and his EDF powered Cub.

A couple of David B's nitro planes. His covering jobs are really eye catching and well done.

Mike's T-33 anyone looking for a first EDF this one is it.
