CLUB NEWS

Most of you have already heard that Bernie Martinez Horizon Club member and a good friend to all passed away on July 7th. He will be missed but not forgotten.

July 30th 2017 the Horizon Club will host a Swap Meet and Lunch at Danny's starting at 8 AM. Burgers and Brats \$5.00. Open flying.

Thanks to David B. for filling the cracks in the runway. The field is looking great lets all pitch in to keep it that way.

Plans are in the works for our Annual Memorial Fly - In at the Horizon Field . Oct. 1st, 2017 is the tentative date. This is a Fly-In and anything that flies including Rockets and Drones will be welcome. A great way to remembers our friends who have made that Final Flight

We'll have Open House before the end of the year to offer a hands on introduction to the hobby with the emphasis on the FUN aspect of the Hobby .

Were once again trying to get some shirts done for the club. Mike has a line on someone that may actually want the business. It's ridiculous how hard it's been to get this accomplished.

If you thinking of making a new addition to your fleet. Talk to Mike or Charlie at Hal's odds are they can meet the internet price and offer in store warranty and service if you encounter a issue. Supporting the LHS ensures they will be around for many years to come. remember that Hal's has always supported our club in the past and continues to lets return the favor.
