Club News

We held our annual Memorial Fly -In and while attendance was lighter than normal we all had a great time. A Big Thanks to Phil Gibson for the Cub Donation and Oliver and Brandon Bimberg for the generous cash donation. Thanks to the Northeast Club members for the support.

The 2nd IMAC Smackdown is set for April 27 and 28 and will be held at Danny's Field. Lets get some locals to compete, it's fun and you'll be a better pilot just for the experience.

There's plenty of time to practice.

We would like to schedule at Meeting in November to discuss the scheduling and funding of future improvements and of the Horizon Field. Here's the start.

Mike worked with K2 Awards to get the set up done for club shirts. They offer a really wide selection from Tee's to Polo's. The amount ordered would determine the cost. I bought a few just to see how they looked and the artwork is great. You can visit their website 2 K2 awards to get a idea of what they stock. The club will NOT stock these although we would consider doing a bulk order. We went once made the mistake of stocking club shirts and it was a disaster.

Remind you of anyone?

Tom Holmsley at the AMA Museum with his GUFF. The one on display at the museum is a replica, Tom's is a original. Really great to see local talent at the national site.
